Pharmacy Foundation Board of Directors President Greg Adams of Clinton recently made the presentation to SWOSU President Randy Beutler.

Since 1981, the foundation has assisted with financial aid awards for incoming freshmen who are pre-pharmacy majors. In 1974, the SWOSU Pharmacy Alumni Foundation was incorporated for the purpose of financially supporting the educational endeavors of the SWOSU College of Pharmacy. The foundation continues to be dedicated to assisting the operations of the College of Pharmacy, enriching the educational experience of its students, providing services to the College's alumni and friends and assisting SWOSU in paving the way for greater accomplishments.

The foundation has assets of \$3 million and will award nearly \$87,000 in scholarships to pharmacy students at the annual SWOSU College of Pharmacy awards ceremony on April 25.
